3rd Annual

CHRISTMAS LIGHT CONTEST

Nominate your favourite decorated home at

Summerleacommunity@gmail.com

Winners will receive gift certificates to a

local restaurant

Light Up Summerlea!

Snow in the City
Winter sidewalk maintenance

Keep Your Sidewalks Safe

Snow and ice on sidewalks is hazardous for everyone. People with limited mobility, seniors, children and parents with strollers (and even those with *no mobility limitations at all) may be severely injured from a fall on ice or snow.*

Uncleared walkways can also make it difficult for those who deliver services in our city—mail carriers, meter readers, delivery drivers and emergency personnel—to do their jobs safely. In fact, each year, hospitals and doctors' offices are filled with people young and old who have slipped and fallen on poorly maintained sidewalks.

And a note from Summerlea's Neighborhood Watch Coordinators Terry Howlett and

Ralph Tuominen........

WIN/WIN

Now that Winter is here ....try and keep the sidewalks and driveways clear of snow and ice around your residence. Not only does it keep Pedestrians safe, it sends a message to the criminal elements, "that someone is home!" It's a win / win situation.

New!! Community Times for Summerlea Members
at the Jamie Platz YMCA

Community League Swim Sundays 5-7pm
