

Keep Summerlea Safe This Winter

Neighborhood Crime Watch Tips

Your residence should not only look "lived in", but it should also have the appearance that "people are home".

This winter:

- Try and keep the snow cleared from your sidewalk and driveway.
- Keep a light on. Leave a radio playing.
- Remember, you do not have to "play fair." You can have a "**beware of dog**" sign without the dog. You can have **children's toys** in the yard without having the children. You can park a pair of **size 12 boots** by the back door even if you wear size five. Why not keep the bad guys guessing?

And remember ... **get to know your neighbors!** They are a great

A Community Garden in Summerlea

The committee has been working on the concept of a community garden here in Summerlea. Now we need to get a sense of what the residents think.

Do you support the concept, or do you say “no way”?

Let us know what you think by sending an email to
summerleacommunity@gmail.com

Sending an email will not put you under any obligation—we promise!

Park Project Update

The park upgrade project has started. Some of the new trees were planted and furniture was put on site.

The work being done now is to install the new light stands and secured electrical outlets. The concrete pad, gazebo construction and furniture placement will take place in the spring of 2020.

Another project supported by the Summerlea Executive and our valued volunteers who work our casinos!
