

Construction Notice: Valley Line West LRT

Construction Pre-works on 87 Avenue, 156 Street, Stony Plain Road, 104 Avenue, and 102 Avenue

- Beginning on or around March 29, 2021, crews will be verifying local ground conditions along the entirety of the Valley Line West alignment.
- Marigold Infrastructure Partners will be drilling boreholes for underground samples, locating utilities, surveying, and taking measurements that will provide important data to guide the design and construction of the LRT infrastructure.

Valley Line West Alignment Construction Pre-works

- This will be a Moving Work Zone – work will not be fixed to one location but will move from site-to-site along the alignment between the Anthony Henday Overpass through to the downtown core (102 Avenue and 102 Street).
- Work will occur during off-peak hours (9 a.m. – 3 p.m.)
- There will be periodic traffic interruptions while this work occurs (15 minutes up to three hours at each location).
- This work is expected to last through to the end of August.

The information in this bulletin is current to March 22, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Valley Line West LRT project.
